Welcome...

Welcome, everyone, to the New England Leather Alliance's 21st Fetish Fair Fleamarket™. It is our pleasure to have you in this wonderful new location – the Castle at the Boston Park Plaza Hotel. NELA has wanted to be here for quite some time and we finally made it! We are all very excited and hope this space serves the community well. We offer a few new vendors and some old favorites and overall there is more than the usual to choose from, thanks to the increased size of the Castle. NELA gives out a big thank you to the Park Plaza for having us in this terrific building.

I'd like to draw everyone's attention for a minute to the recent Supreme Court decision in *Lawrence v. Texas*. Quite surprisingly, the court, in a vote of 6 to 3 struck down the previous sodomy law (*Bowers v Hardwick*, 1986), as an unconstitutional invasion of privacy and that by singling out gay people, it violates the Constitution's guarantee of equal protection under the law. "The state cannot demean their existence or control their destiny by making their private sexual conduct a crime," Justice Kennedy wrote, according to a report from The Associated Press. Folks, this is not just about gay sex. This issue has extremely important ramifications for ALL consenting adults and their right to engage in whatever consensual acts of sexual expression they so desire. It applies to all lesbians, bisexuals, gay men, heterosexuals and kinky people. Regardless of how you identify – male, female, both, transgendered, butch, top, bottom, heavy player, occasional silk ties and fur paddles, anniversary bondage or full time 24/7 slave... we have the right to do whatever turns us on, however often, or infrequently, we choose to do it.

It is my sincere hope that watershed moments like this one will help us understand that we are all in this together. The legal, political and social climate will only get better if we recognize our common obstacles and work as a team.

Now, back to our regularly scheduled programming.

Please check out our website for exciting fall events. There are upcoming first aid and CPR trainings, a new BDSM and Transgendered monthly discussion group, and a trip to Social Eyes in Rhode Island. We are always working on new projects and could use your help. Volunteer a few hours, help stuff a newsletter, write an article, teach a class, come to events, tell your friends, join NELA, be part of an active SM/leather/fetish group.

And for today, enjoy the Flea. Have fun. RELAX. Shop. Look. Meet. Learn. If you feel pressure to do something you do not want to do, don't do it. Take it easy. Do things on your own terms. It is your life, your body and your soul - enjoy it, explore it, live it.

Regards,

Vivienne

Chair, New England Leather Alliance

EVERYTHING YOU NEED TO KNOW ABOUT THE NEW ENGLAND LEATHER ALLIANCE

Who Is "NELA"?

NELA is an organization dedicated to making a safe place in the world for all leather/fetish/SM people through education, advocacy, and charitable giving. NELA stands for New England Leather Alliance, and we were formerly known as NLA: New England. We are an incorporated non-profit 501(c)3 organization dedicated to the support, education, and political organizing of the leather/fetish/SM/bondage communities in New England. We are a diverse, pansexual group of adults who share a common interest in Leather, S/M, or similar fetishes (bondage, spanking, etc.) and who want to be active in building our community. We are women and men, transgendered folk, heterosexual, bisexual, and homosexual, married and single, young and old. We are from MA, NH, CT, ME, RI & VT. We support the statements of purpose of NLA:I and apply them to local issues. We host local events every month such as classes and outings, produce the semi-annual Fetish Fair Fleamarket, publish this newsletter and more.

What does "NLA" stand for?

NLA stands for National Leather Association. NELA is a regional chapter of the overarching international association now known as NLA: International. The statements of purpose of NLA:I are on the back of this brochure and are, in short, to support the leather community, provide education and public awareness, and fight for the rights of consenting adults to express their sexuality in safe, sane, and consensual manners. Among other things, the NLA provides resources to chapters like ours such as educational videos, contact with national speakers, and networking opportunities with activists around the US and Canada.

When Does NELA Meet?

We do not have one set meeting time and place. Instead, we sponsor a different event every month, sometimes a workshop or class, sometimes an outing or social event. We often bring guest speakers in from as far as Toronto and San Francisco. Past meeting topics have included Japanese rope bondage, bullwhip use, making your own dungeon toys, and caning. We sponsor

community meetings, activist roundtables, and planning sessions. We have run leather trivia contests and hosted bondage video nights. The event calendar is published in *The Scarlet Leather*, is available on our Web Site, and can be checked at our hotline message number (617) 876-NELA (6352)

Where Does NELA Meet? Is it safe?

Our events are held in a number of locations in the Boston area, including Grand Opening Boutique, the Boston Ramrod (Boston's oldest and best leather bar), the Boston Living Center, the Boston Center for the Arts, and even in private homes. We strive for safe, community-inclusive venues. We try to be T-accessible and easy to get to by car, as well.

What Else Does NELA Do?

Among other things, we sponsor and run the semi-annual FETISH FAIR FLEAMARKET (TM), the largest leather/fetish event in New England, which happens in July and January. We bring together a hundred top vendors and craftspeople from our local area and from as far away as San Francisco, Arizona, Chicago, and Canada. Thousands attended our last FFF to enjoy the unmatched opportunity to shop and meet people. We also sponsor and organize the Boston Pride Leather Contingent, whereby we invite smaller or financially disadvantaged groups of leather folk (who would not otherwise be able to register or march) to march in the annual Boston Pride parade in one loud, proud section. We host other special events from time to time, including special parties, demo nights, titleholder evenings, and more.

We have a charitable fund that supports the efforts of groups like The National Coalition for Sexual Freedom and GLAD (Gay and Lesbian Advocates & Defenders), and persecuted individuals in our community fighting for their legal rights to express their sexuality. Over the past five years we have given over \$20,000 in charitable donations. We take part in efforts to educate the public and to fight for laws that protect our rights to love in the manner that we choose as consenting adults.

What's The Scarlet Leather?

The Scarlet Leather is our newsletter that comes out quarterly. It includes not only important chapter news like upcoming events, but also a calendar of New England events, information on other local groups,

national and international leather news, legal advice, how-to tips, reviews of books and videos, and other information of interest to our members. The Scarlet Leather welcomes submissions of articles, poetry, reviews, etc.

NELA BOARD OF DIRECTORS

VIVIENNE - CHAIR

Vivienne has been Chair of the New England Leather Alliance since 2001 and served as Treasurer from 1996 through 2003. She also holds the position of Chair of the National Coalition for Sexual Freedom and was one of the Co-Chairs of Leather Leadership Conference - Seven held in April 03. In addition to her leather activism she squeezes time out to be the Treasurer of the Greater Boston chapter of NOW, something she's enjoyed doing since 1989. Vivienne identifies as bisexual Jewish feminist and would like to be mistaken for Cher. Barring that, she'll settle for being known as a dedicated sexual freedom activist.

KIMBERLY BRADSHAW - DIRECTOR OF PROGRAMMING

Kimberly has been involved with NELA for nearly 6 years. A board member for most of that time, Kimberly has just been elected to her second term as NELA's Events & Education Director. She organizes NELA's monthly classes, special events and Fetish Fair Fleamarket (TM) programming. In the coming year, she hopes to add a quarterly discussion group to NELA's event schedule. If there are topics and/or presenters that you'd like to see, please send her email (see address listed above). Kimberly is also a devoted slave, occasional switch, enthusiastic traveler and cat-lover.

BRYT - TREASURER

Bryt Bradley's goal is to earn enough volunteer t-shirts that she has one to wear for every day of the year. As she has been an active participant and volunteer for leather, BDSM-related, and alternative-lifestyle organizations since about 1991, she's well on her way to achieving this. Often accused of volunteering 'just to get the acronym', she lists the following organizations as one's she has primarily worked with or for in that timeframe: LLC, NELA, PDL, LBD, and the BRC. (There's a whole range of other organizations that she has participated in for just a few or single events, as well - it seems that whenever someone needs an extra set of hands, they drop her a plea in email or on the phone & she just can't say no. :) As NELA's Treasurer, she hopes to spread her volunteerism meme throughout the larger leather community in the hopes that by everyone working together on leather activism and education, greater strides can be made towards social change and acceptance of all levels of kink.

DANNY - DIRECTOR OF COMMUNITY RELATIONS

Danny joined the NELA board as vendor liaison back in 1999. In addition to being vendor liaison for NELA's Fetish Fair Fleamarket, he has recently taken on the role of Director of Community Relations for NELA and remains a member of the PDL Steering Committee. Danny entered the public scene in 1989. His passion for bondage inspired him to make his own bondage equipment. It was the popularity of his unique Grip-cuff (TM) design that inspired him to start his own business, "Leather By Danny". Leather by Danny now carries a wide range of bondage equipment and can be found in shops around the country. Danny enjoys traveling the country vending as well as teaching classes on bondage.

DAVID FORTINI - BOARD MEMBER AT LARGE

David has been involved with NELA since the winter Flea of 2000. He started out as a volunteer then later the volunteer coordinator and then as Director of External Relations and is now Board Member at Large. He is assisting Sabrina with the External Outreach Program and also hosts the monthly BDSM & Transgendered discussion group. He has been into BDSM since before he realized it had a name, though his first involvement in the leather community was briefly with Black Rose in 1992 just before moving out of the DC area.

PATTI - SECRETARY

Patti has been in the BDSM lifestyle for 6 years and personally involved with NELA for 3 years. She has been a very active with other groups in the past, as well as a participant in the Ms. Boston Leather Contest 2001. She has volunteered at several Fetish Fair Fleamarket (TM) and was Volunteer Coordinator for the first time at the January flea 2003.

In her spare time she goes to school, makes time for her friends and her cats, practices photography and writes for the Scarlet Leather.

RICKDOM - PRODUCTION DIRECTOR

Rickdom has been involved with NELA since June 2001, taking over the production of NELA's newsletter, the Scarlet Leather. He then became the webmaster that October. He is, for the most part, a voyeur with a fondness for black shiny surfaces. He is also an artist, a musician, a photographer, and a cook. He does his part in BDSM activism by keeping the Scarlet Leather on schedule.

SABRINA SANTIAGO, MSW - DIRECTOR OF EXTERNAL RELATIONS

Sabrina Santiago, MSW, has been active in the BDSM community for about 4 years. After attending a private play party in Attleboro, MA she helped to form the Paddleboro Defense League (PDL). She has been a NELA associate for over a year and is currently the Director of External Relations. She is also the office manager for Leather By Danny. Sabrina has recently completed her masters in social work with an emphasis on community organizing and program planning. Her interests include safer sex education, outreach to the mental health community and bringing educational curricula about sexual minority groups to social work schools.

WIL - MEMBERSHIP OFFICER

Wil has been an active member of the BDSM community for over 15 years both in the US and the Netherlands. Wil joined the NELA board in 2000 as NELA's Membership officer. Wil is also an active volunteer of the Paddleboro Defense League. He is an activist, cat lover and a knife aficionado.

The New England Leather Alliance board of directors meets every third Thursday of the month in the greater Boston area. These meetings are almost always open, and any NELA associate is welcome. If you would like to attend, please send an email to board@nla-newengland.org for the location and time..
