## Safer Sex Booklet

By now you are familiar with the Safer Sex Booklets that NELA has handed out in droves at the Fetish Fair Fleamarket and other leather events. The text was originally written by the Stop AIDS Project, and has been used by NELA for several years. The Safer Sex Booklet is now updated, more comprehensive, and includes topics about safer scenes. These include scene etiquette, power play, negotiation, and more.

It is our aim to make the Fetish Fair Fleamarket an event welcoming and accessible for attendees with disabilities and where people with disabilities are valued and respected.

- Ask and wait for an answer before you try to help someone. What you assume is helpful may not be.
- When you encounter someone using a service animal do not pet, offer food to, or interact with the animal in any way.  
Do not comment on the dog’s presence i.e. “and who do we have here?” They are working hard; you are supporting the independence and autonomy they provide by not distracting them.
- If you have questions, concerns or need assistance regarding access, please stop by the Registration Desk on the first floor where wristbands are purchased to contact an Accessibility Assistant for:
  - An Assistive Listening Device
  - A large print copy of the program book
- In order to make classes more accessible there will be designated seating for persons with disabilities in each classroom (as well as space for scooters/wheelchairs). We ask all FFF attendees to be respectful of these seats and make them available for their stated purpose. The seats will be released if not needed before each class begins. Please be prepared to move chairs to make room for people using scooters/wheelchairs, wherever they may wish to sit.

**NELA is committed to improving accessibility at the Fetish Fair Fleamarket . This effort is a work in progress. Email [chair@NELAonline.org](mailto:chair@NELAonline.org) with suggestions, questions or requests.**

February, 2012

Hello Beloved Flea-goers!!

Welcome to the 38<sup>th</sup> Fetish Fair Fleamarket - we've got new classes, an improved floor flow for easier shopping and a different type event for Saturday night - the Fetish Prom! The Board and volunteers have worked VERY hard to ensure you have a truly terrific time. This year you will have over 90 vendors and almost 90 classes at your fingertips!

Back by popular demand, we have a program for newcomers and repeat visitors, the **Fleedom Trail**. Check your program for these pieces tailored specifically to those of us with less experience and less exposure to the kinky world.

Cameryn Moore returns to debut her latest and last production, **Power I Play**, Friday night in the Blackstone Room (3<sup>rd</sup> floor). The popular **New Designer's Fashion Show and Dance Party** is also back with new artists and new designs (1st floor) and James Dattolo of A Curious Production, the Producer of the Friday night event is thrilled to announce this year's new party on Saturday night - **Fetish Prom Night**. Visit **Vendor's Row** (3<sup>rd</sup>, 4<sup>th</sup> and 5<sup>th</sup> floor) as many are open on Friday night and don't forget **Fetish Open Studios**, 5th floor 7pm - 10pm Friday. There are a few last minute programming changes so review the class list and signage on each floor for the most up-to-date information.

We NEED you to have a fun-filled, SAFE weekend. Please respect the hotel as **your** home and play responsibly. Our event has never allowed nudity and we ask that in public areas, **especially the lobby**, you exercise good taste. Please be mindful of accessibility and aware that not everyone has the same abilities. Respect the rules of consensuality. If at any time you feel uncomfortable or unsafe, please seek out a NELA officer or, after hours, a member of the hotel staff.

Hotel guests may purchase admission wristbands Friday between 5pm and 9pm in the lobby. Card-carrying NELA Associates can start shopping at 10:30am Saturday and Sunday, a half hour before the general public. Not a NELA Associate yet? On Saturday you will be able to sign up for a NELA Associate Benefits Card (ABC) which entitles you to free or reduced-price admission to NELA events throughout New England. NELA's educational programming continues year round with classes and seminars; our charitable giving aids dozens of kink and kink friendly organizations; and our advocacy will one day truly make the world a safer place for those of us to express our sexuality.

Thank you for being a part of history - the longest running, largest, most affordable BDSM event in New England!  
Cheers,

Vivienne Kramer  
FFF Director

Scott Erickson  
NELA Chair

*Throughout the weekend please remember to thank our amazing NELA volunteers!*

**Scott – Chair** (scott@nelaonline.org)

His knot tying education started at the age of 4 by many ole salts who had been boating for more than 40 years. When he came out at 21, he started applying the knots to bondage, and it has been fun ever since. Scott has been active with NELA over the past few years, and decided to join the NELA board in 07, and served as Co chair from 07 - 08. Director of Community Relations 09 - 10, and is now the Chair of NELA. Was Mr. Boston Leather in 04. In 03, Co-founded the Bay State Marauders, and served as the inaugural President 04 to 05, and Vice President 06 to 07. Won the 07 Pantheon of Leather New England Regional Award.

**Vivienne Kramer - Treasurer** (vivienne@nelaonline.org)

A born activist, she cut her teeth in the guerrilla warfare of keeping women's clinics open. During her tenure as Treasurer of Boston NOW she realized that the power exchange of SM was consistent with her strong feminist identity. She became Treasurer in 1996 of NLA:NE, now NELA. and Chair in 2001. Vivienne became involved with NCSF as Chair in 2002. She has been recognized by Pantheon of Leather, Black Beat, and NLA:I. She has worked with The Network/La Red to help coalition and ally building across communities. She currently serves as Chair of the CARAS, Director of the Fetish Fair Fleamarket, and NELA Treasurer.

**Kyle - Secretary** (kyle@nelaonline.org)

Kyle has always been exploring the dark side of himself and the world, as a feminist, sadist, geek, dominant, communist, and activist. His background in anti-racism and other leftist causes has served him well since joining the public BDSM scene, where he has become the Secretary of the New England Leather Alliance, a greeter for BTNG (a Boston-area group for kinky people aged 18-35), and a student of Lord Percival.

**Danny - Board Member At Large:**  
(danny@nelaonline.org)

Danny joined the NELA board as vendor liaison back in 1999. In addition to continuing to act as vendor liaison for NELA's Fetish Fair Fleamarket, he is currently NELA's Board Member at Large. Danny entered the public scene in 1989. His passion for bondage inspired him to make his own bondage equipment. It was the popularity of his unique Gripcuff design that inspired

inspired him to start his own business, "Leather By Danny". Leather by Danny now carries a wide range of bondage equipment and can be found in shops around the country. Danny enjoys traveling the country vending as well as teaching classes on bondage.

**Jack and Kerry – Co-Directors of Associates**  
(jandk@nelaonline.org)

Jack and Kerry have been involved in the local leather community for over ten years. They were unwittingly sucked into lugging boxes for NELA at the Summer Flea several years ago and became steadily more involved, helping with and volunteering for the Fleas, Pride, Volunteer Coordination and other duties. They wanted to increase their activism in the leather community AND kill off every scrap of what little free time they had left, and so in 2009 they joined the NELA board as Co-Directors of Associates, in which position they continue to lug boxes at the Flea, just with a fancier title.

**Percival Du Chat Gris - Director Of Programming**  
(percy@nelaonline.org)

Lord Percival has been active in the scene, both in private and in public, for four decades. While many of us know him for his mastery of rope, he also has an extensive knowledge of many other areas of play, including but not limited to: takedowns, breath play, caning, whips, electricity, knives, energy play, and mental bondage. Education is a particular passion of Percy's. He has been a teacher, lecturer, mentor, and trainer in the scene for a quarter century. Currently, he is on the Board of NELA where his role is Director of Programming and Education.

**BendyogaGirl - Director of Community Outreach**  
(bendyogagirl@nelaonline.org)

Bendy has been teaching in myriad context for 30 years. When she's not working vanilla settings, she can be found presenting a wide variety of kinky subjects, from Yoga for Kinksters, to The Way of D/s. Bendy has been actively exploring D/s and authority exchange for over 25 years, and has a long history with BDSM. Currently based in Boston, Bendy co-founded MASTMass, runs The Submissives' Round Table, is the Speaker Liaison for the Fetish Fair Fleamarket, volunteers with the NCSF, presents at 2-3 Sex Positive events per month, and is an activist for personal freedom. Bendyogagirl joined the board of NELA in 2011.

### Dan & Madelyn - CoDirectors of VASE (vase@nelaonline.org)

**Dan** is a lifelong kinkster. He finds his work on education and local community building very rewarding, not to mention exciting! In addition to co-founding and helping to run VASE (Vermont Alternative Sexuality Education) in 2010, he hosts meetings of the Innovative Fiber Arts local rope group. When he's not organizing kink events or slaving away at work, Dan reads, plays games (board games & RPGs) and tries to keep his cat from eating the house.

**Madelyn (Miss Wyld)** has been exploring alternative sexuality as a bi-poly-switch for 8 years and joyously shares her knowledge & experience. She co-founded VASE (www.VTkink.org) in 2011, which brings quality sexuality education to VT, thanks to the support of NELA.

**NELA Maine**  
(NELA.Maine@gmail.com)

**Crissy Rose** has been excavating her kinky self from an early age, but it wasn't until she hit high school did she begin to accept her kind of sexuality and it's taken her 20 years to fully embrace it. Within that time she has embraced the continuum of BDSM with a focus on the psychological aspects of Dominance and Submission. Crissy Rose is co-director of the Maine chapter of NELA and Yummygirl on fetlife.

**Chloe** has been active in the kinky community for about 7 years and has participated in several groups in the New England area as well as Louisiana. I host and manage the Portland Maine munch that meets monthly and especially enjoy activities that involve outreach and education within the lifestyle. I am looking forward to helping grow and develop NELA-Maine as a way to bring together our New England communities and the resources that are available. Chloe is a co-director of NELA-Maine and chloe6554 on Fetlife.

⇒ The New England Leather Alliance gives huge thanks and a big shout out to the volunteers of our Boston Bikers Gals for beautifully handling the Coat Check at our Fetish Fair Fleamarket.

All proceeds go directly to the charitable recipients of the volunteers choice.

Coat Check is located in the Narragansett Foyer. See Hotel Maps: First Floor #8

There are many Transgender people (Transgender, Transexual, Gender Queer, Cross dresser, Gender Variant and more) that attend the Fetish Fair Fleamarket and/or Masquerade Ball.

People who are transgender and/or whose gender identity or expression does not conform to stereotypes of male or female often face discrimination and harassment, particularly when accessing public spaces, events, and restrooms. To be inclusive and improve the quality of life for Transgender people here, please read and act upon the following:

### Restrooms

One way of acknowledging Transgender people's needs is to both designate restrooms that are gender-neutral and also to allow people to use the gender-designated restroom that they identify with. In public restrooms, many Transgender people face harassment that can lead to anything from deep discomfort to arrest or murder. Regardless of what restroom you are in, please let everyone use the restroom in peace.

Each of us can decide for ourselves in which restroom we belong. Gender neutral restrooms are located on the 3rd Floor.

### Pronouns

A person's external appearance may not match their internal gender identity. You cannot always know the gender or sex of someone by their physical body, voice, appearance or mannerisms. It is best to ask, "What pronoun do you prefer?" or "How do you identify?" before using pronouns or gendered words. In group situations where you don't have an opportunity to ask someone what words they prefer, try using gender-neutral phrases like "the person in the red shirt," instead of "that woman or man."

### Privacy and respect for all participants

Please respect transgender people's privacy and boundaries and do not ask unnecessary questions. If someone discloses they are transgender please do not "out" that person to other people. The transgender person may feel comfortable coming out to you, but may not wish to be out to other people.

# Frequently Asked Questions about NELA

## What is NELA?

The New England Leather Alliance, or NELA, is an organization dedicated to making a safe place in the world for all SM/leather/fetish people, through education, advocacy, and charitable giving.

We are a diverse, pansexual group of adults who share a common interest in leather, SM, or similar fetishes, and who want to be active in building our community. We are women, men, and transgendered folk; heterosexual, bisexual, homosexual and queer; married, single and poly; young, old and timeless.

NELA is a 501(c)(3) charitable organization, and all donations are tax exempt under the appropriate rules and regulations of IRS code.

## When does NELA meet?

We sponsor different events each month, sometimes a workshop or class, sometimes an outing or social event. We often bring guest speakers in from around the country; past meeting topics have included Japanese rope bondage, bullwhip use and making your own kinky toys. Our events are held in a number of locations in the Boston area and we strive for safe, community-inclusive venues. We try to be public transportation accessible and easy to get to by car, as well.

The event calendar is available on our website ([www.nelaonline.org](http://www.nelaonline.org)) and can be checked at our hotline message number (617) 876-NELA (6352).

The NELA board of directors meets on the second Wednesday of each month in the greater Boston area. Every other board meeting is open to all NELA associates.

If you would like to attend a meeting, please email [board@nelaonline.org](mailto:board@nelaonline.org) to RSVP and to receive information on the meeting location and time.

## What does NELA do?

We produce the Fetish Fair Fleamarket , the largest leather/fetish event in New England, twice annually which brings together a hundred top vendors and craftspeople from our local area and from around the country. Over the last decade, tens of thousands of people have attended the last FFFs to enjoy the unmatched opportunity to shop, attend workshops and meet people.

We sponsor and organize a leather presence at Pride celebrations throughout New England. In particular, we sponsor and organize a Leather Contingent for Boston Pride, RI Pride, and Hartford Pride among others whereby we invite other groups of leather folk to march in the annual Pride parade and participate in the Pride festival. We host other events, including educational workshops, special parties, demo nights, discussion groups and more. We teach a presentation on the difference between SM and abuse to law enforcement, medical professionals and officers of the court.

NELA firmly believes in giving back to both its own community and to progressive allies. Our charitable fund supports the efforts of groups like the National Coalition for Sexual Freedom, GLAD (Gay and Lesbian Advocates & Defenders), the Boston Living Center (a community center for people with HIV and AIDS), The Network/La Red, the ACLU, many local and national Leather-oriented groups as well as individuals in our community fighting for the legal right to express their sexuality. Over the past six years we have given over \$50,000 in charitable donations. We continue our efforts to educate the public and to fight for laws that protect our rights to love in the manner that we choose as consenting adults.

# Sexual Freedom

## **do you know?**

- Many forms of sexual expression practiced by millions of American adults - including SM and swinging - are still illegal in many areas under antiquated sex laws
- Prejudiced, puritanical regulations and law enforcement are used regularly against people who enjoy alternative sexual expression
- Anti-gay bigots and sexists, urged on by religious right, continue to use sex to marginalize and persecute minority groups
