Letter from the Co-chairs

Welcome to NELA's 45th Fetish Fair Fleamarket®!

Good Day Fellow Kinksters and Welcome to Marlborough, Massachusetts!

We are thrilled to bring the Flea to this 355-year-old Green Community centrally-located in southern New England.

All spaces are fully accessible, and we are proud to offer you 45 vendors , including our sponsor, Tandy Leather, in the Grand Ballroom, 12 community/ outreach groups in the main hallway, and 11 spectacular demonstrations in the Seminar Room. The Rope Lounge is in the Duchess Room and the Whip Lounge is in the Princess Room – both run all day. There's an ATM next to the Gift Shop, as well.

Please join us for a meal and snack in the main hallway – supporting the hotel's facilities through concession stand purchases can help us secure this location next year.

NELA is a volunteer-based organization dedicated to making a safe place in the world for all leather/fetish/SM people through education, advocacy, and charitable giving. We are an incorporated non-profit 501(c)3 organization dedicated to the support, education, and political organizing of the SM/ leather/fetish communities in our world.

Simply put, we could not do what we do without our incredible volunteers and generous donations from our Associates. Please drop by our table in the Grand Ballroom to make a donation to become a NELA Associate and/or get some NELA swag!

Be sure to keep in touch via our web site <http://nelaonline.org>, Twitter @FetishFlea, and Like us on Facebook.

On behalf of the NELA Board of Directors, thank you for coming and a great time!

Demo Schedule & Info

11:30 AM ~ Naked Yoga for Everyone

Sepiessa, a self-proclaimed YogaGeek, is immersed in a long-standing love affair with everything yoga (the mindspace, sense of floatiness, the squeeze and release, etc). She's practiced yoga since 1997 and was certified to teach by a well-respected school in the summer of 2003. Little did she know that years later she'd discover the many parallels between kink and yoga...

She runs her own vanilla studio in the greater Boston area and is in the process of bringing more yoga to the kink community. Her teaching style ranges from gentle to moderate to vinyasa flow, and she always accommodates her students' needs (vanilla needs, as she is quite happily collared!).

Sepiessa is also a licensed massage therapist and Reiki practitioner. Thai Massage is a favorite, as it allows her to actively work with the massage receiver. Her clients love it. In response to a growing need, Sepiessa is currently introducing Thai 'Em Massage for Bondage & Otherwise (TEMTBO) in the community. She hopes to help kinksters become more comfortable and flexible in their bodies and thus have access to better and deeper kinklife experiences. Overall, she hopes to help people feel better in mind and body while becoming sensitive to their abilities to care for their kink partners.

12:00 PM ~ Pressure Points for the Lazy Dom

Percy shows what a few pressure points can do. A lazy dom's best friend. Useful in a pinch.

Lord Percival (Percy to most) has been active in the scene, both in private and in public, for more than four decades. While many of us know him for his mastery of rope, he also has an extensive knowledge of many other areas of play, including but not limited to: takedowns, breath play, caning, whips, electricity, knives, energy play, and mental bondage. Education is a particular passion of Percy's. He has been a teacher, lecturer, mentor, and trainer in the scene for a quarter century. Currently, he is on the Board of NELA (New England Leather Alliance), where his role is Director of Programming and Education.

12:30 PM ~ Gender in the Blink of any Eye

This class will be a lickity-split version of a Transgender 101. Together we will explore concepts of self, trans* terminology, pronouns (including gender-neutral options), and basic gender theory

Synuates is a LGBTQ+ Educator, Organizer, and Communicator located in Boston, MA. Syn is fascinated by all things (gender)queer and deeply interested in the ways linguistics touches our lives, queer, kinky, poly, and otherwise. You may have seen him present this year at The Geeky Kink Event: New England, Fantasia Fair, First Event, or Transcending Boundaries. In his spare time, Syn enjoys urban exploration, zine culture, eclectic tea and coffee shops, bootblacking, and the smell of fall. You can find Syn on FetLife under Synuates or email him at synuates@gmail.com. Gender-neutral or masculine pronouns, please!

1:00 PM ~ Rope Tasting: Like a Wine Tasting but with Your Hands

Welcome to a rope exploratorium! You will learn about different types of rope and have a chance to feel and experience many types as well. Be ready to use your sense of touch to learn about rope from a basic level. All experience levels welcome.

LordeCupcakeCunt is an agender-fluid Bostonian who presents on sexuality, gender, spirituality, an advocacy. Xe has been seen at the True Colors Conference, The Geeky Kink Event: New England and Classic, The Society's Coming out Different, and First Event; Kailin is also a co-organizer of the Trans* Spectrum Kinksters. When Kailin is not presenting knowledge, xe can be seen volunteering or with a cup of tea and a notebook. Kailin also teaches Hebrew and is an advocate for LGBTQ homeless youth and young adults.

1:30 PM ~ Tickle Torture

Tickling is a sensational way to explore kink. P.E.T.E. and GRLee will demonstrate how tickling can be torturous as well as fun, and why it's not just for beginners anymore. Join us in the Danger Zone!

P.E.T.E. and GRLee (Pedular Enthusiast Ticklee Extraordinaire) has been a long-time tickling enthusiast, a proud foot fetishist, a member of BDSM and tickling communities, on-line for 15 years, and off-line for ten. He has taught classes at Ramrod in Boston and two of the first classes ever taught at Club Hell in Providence, RI, for their Wednesday Fetish Night series. P.E.T.E. is also an instructor for the Kink Academy and has a number of instructional videos on their website. He co-facilitated numerous tickle play events for Tickle New England, a group that he created to help organize and provide information and support for the New England tickle community. P.E.T.E. co-created New England Feet also to create local opportunities for community, support, information and safe connection for foot fetishists and the recipients of their pedular attentions. P.E.T.E. embraces tickling as a fun, sensual and erotic practice that holds great and dynamic benefits for those who engage it. His connection to feet ranges from the functionally vanilla to deeply spiritual, healing and sexual dynamics. P.E.T.E. continues to learn about fetishism and kink and invites you warmly into this experience of exploration with him and the amazing GRLee.

GRLee has been teaching at fetish events for more than 4 years. She is committed to making it safe

and easy for newcomers to follow their own kinky and powerful path of self-discovery. Her passion for learning and joy in kink give her courage every day to keep moving forward in all aspects of her life. She believes in saying what she means, in being true to her ever-changing self, and in finding laughter in every single day.

GRLee is committed to making it easy for newcomers to safely follow their own path of self-discovery. Her own growth and her deep joy in kink give her courage every day to keep moving forward in all aspects of her life. She believes in saying what she means, in being true to her ever-changing self, and in finding laughter in every single day.

2:00 PM ~ Slow Rope

Exploring the Sensuous Side of Rope Bondage

RopeRider is the organizer of the rope bondage convention Bound In Boston. He began his journey with rope bondage as a fetish photographer, but quickly found that he enjoys both participating in and photographing rope play.

2:30 PM ~ Rough Body Play

Rough Body Play can be intimidating due to the level communication and risk involved, but that doesn't mean pick up play has to be complicated or planned. This workshop will cover the basics of rough body play and how to have a pick up scene from negotiation to aftercare.

Arkane is a Priest of Rati and Kama, spiritworker, and kink educator. He has presented workshops for Camp Crucible and many Dark Odyssey events. He specializes in sacred sexuality, Ordeal. Polyamory, Intimacy, Vulnerability. Connection, and, above all, snark.

3:00 PM ~ Flying in Suspension

With half rope work, and half body magic, a person can be twisted into strange and sometimes painful positions in the air. Rope bondage and suspension can be an intimate way for partners to connect, or a lovely way for friends to spend an afternoon. This demo will show a range of physically stressful and technically challenging suspensions. NOTE: we will not teach suspension, or suspension techniques.

Lazarus is passionate about rope. With a background in mechanical engineering, she comes to rope play and suspension from a technical point of view. She especially likes dynamic suspensions and bent leg ties, and focuses heavily on risk aware tying, and safety. Lazarus is an active member of Hitchin' Bitches Boston.

3:30 PM ~ Wax Play Demo

This class will begin by discussing why do wax play in the first place? Of course like any new play, we will discuss safety issues around playing with wax. Now lets start having fun by going over materials needed for a wax scene. Then, we will discuss good vs bad areas for wax. How do we get the wax off? Well I'm glad you asked because we will cover this too!

MaxsWorld (Max for short) is a gender fluid, evolving switch, reluctant sadist, and humorous kinkster. They have been actively kinky since 2012 (but actually kinky long before they knew that term for it). Max enjoys doing means things to private parts (especially penis/balls), poking people with needles, rocking out with their cock out, enjoying a good pickle and bring as much laughter they can into a scene.

4:00 PM ~ Suspension Demo

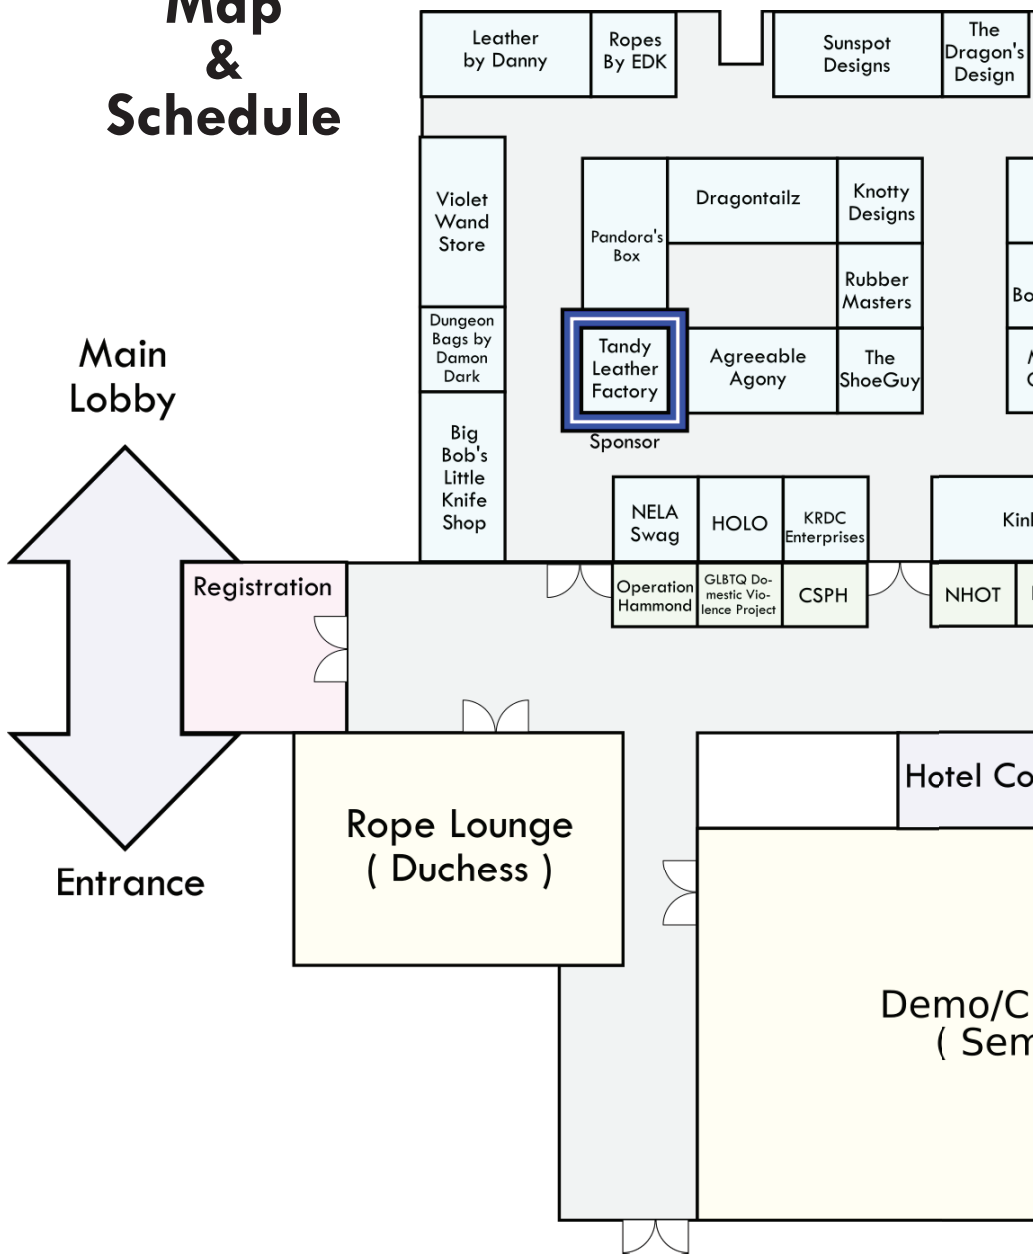

Rope can be a beautiful way to restrain and connect with a partner. This 20min demo will show the versatility of rope, and the magic of moving a person in space.

Abbystrat is a Boston based rigger who enjoys applying science based theory and problem solving to rope bondage, with a particular interest in dynamic suspensions and sadistic rope. She is also passionate about encouraging more women and non-binary individuals to pick up the ropes and fostering a more diverse rope community.

4:30 PM ~ CBT Demo

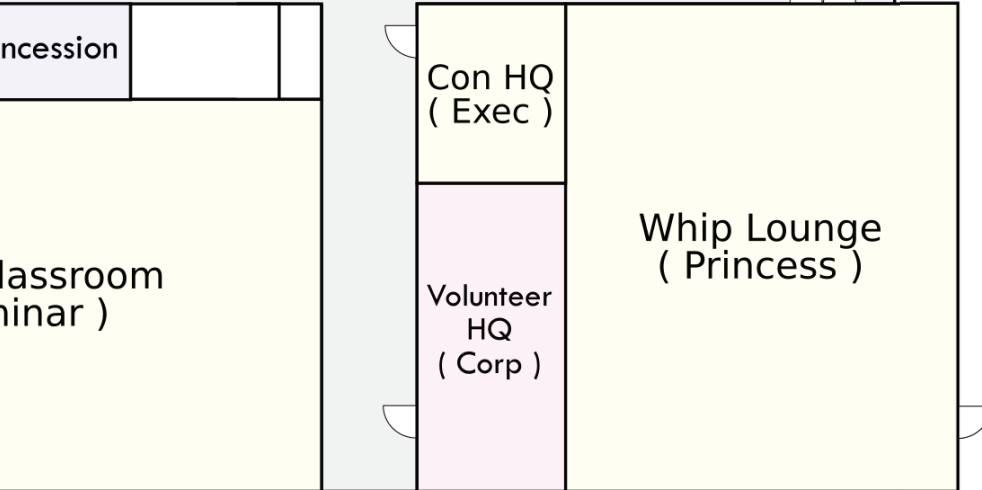

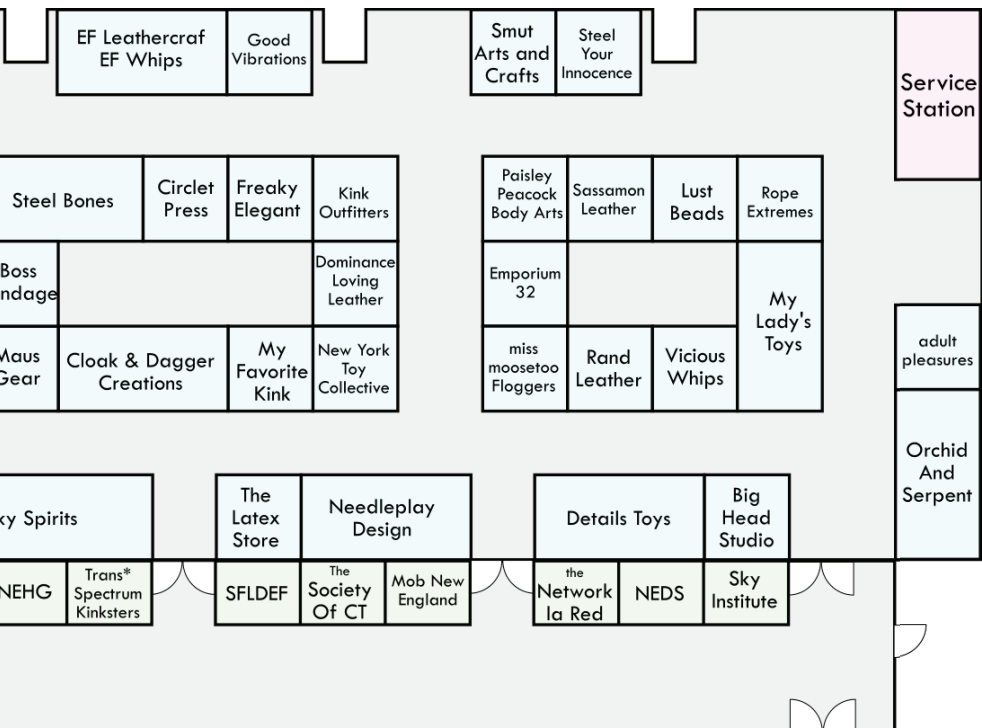

Wintersong is a shaman, magician, and presenter who has been teaching and running rituals for over a decade. Seeing pain and pleasure as valuable tools, he employs both in his spiritual work as well as his erotic play. Wintersong teaches workshops on a variety of erotic and kink techniques, specializing in needle play, cbt, polyamory, roleplaying, playing with unusual fetishes, LGBT issues, and both erotic and non-erotic spiritual and magical topics. He offers private tutoring and classes in a wide range of erotic techniques and edge play as well as relationship skills, polyamory, and magic & energy work. He is a programing coordinator for Dark Odyssey, and a regular contributor to the LGBT blog "The Bilerico Project." Wintersong has presented for Kink Academy, Dark Odyssey, The Floating World, QueerPlayCon, Black Rose, and many other events and organizations. He is a council member of Clan Tashlin, an earth-based teaching and magical order built around a unique relationship between people and the energies of the world around us. He has been featured in documentaries on topics such as polyamory, spirituality, and genital integrity in both the United States and Great Britain. He can be found on Fetlife simply as "Wintersong."
